

4 MUST HAVE Summer Products to Nourish and Restore!

July 20, 2016

With this hot summer heat what better way to nourish your skin and restore your hair with Instrumental Beauty, Éclair Naturals, Finesse Haircare and Yardley London! These products are not only affordable but also use top of the line technology to rejuvenate skin and hair after a long day at the beach.

Éclair Naturals is a brand-new line of

body care made with natural ingredients and free of harmful products. Éclair Naturals All over Lotion, (\$8.99; Rite Aid) will reverse the affects of the drying sun to leave your skin feeling hydrated, soft and silky all day. The high level of Shea Butter and Jojoba oil is blended with pure essential oils and natural plant extracts to leave skin smooth. With scents such as "Sea Breeze" no matter where you are you will feel like you are in paradise! Éclair Naturals products are cruelty-free, soy-free, gluten-free and vegan. Available in five unique scents.
